

PIXELBAR 36

LEDs: Luxeon I
 Available colours: RGB
 Available lenses: Standard 25 ° Optional 25 ° x 45 °
 Power supply: Voltage: 100 ~ 240VAC
 Power consumption: Max. 120VA
 Housing: Aluminum
 IP value: IP20
 Measurements: 81 x 795 x 77 mm (hxwxd, without brackets)
 Weight: 3,8 kg

Driver		
Incl.	3,8 kg	50.000 h
DMX Channels		
	1/5/36/60	

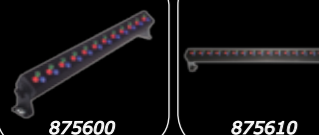

PIXELBAR 54

LEDs: Luxeon I
 Available colours: RGB
 Available lenses: Standard 25 ° Optional 25 ° x 45 °
 Power supply: Voltage: 100 ~ 240VAC
 Power consumption: Max. 160VA
 Housing: Aluminum
 IP value: IP20
 Measurements: 81 x 1186 x 77 mm (hxwxd, without brackets)
 Weight: 5,5 kg

Driver		
Incl.	5,5 kg	50.000 h
DMX Channels		
	1/5/54/90

CLS™ PIXELBAR

The PiXelbar series has been developed in cooperation with some of the largest European rental companies. This product is the answer to the large demand of high power stage LED products.

The PiXelbar can be used for both effect lighting as well as for floodlighting of stages and backdrops. Due to the compact measurements, the PiXelbar is also very suitable for lighting up walls at exhibitions and other commercial shows.

Some unique features of the PiXelbar series:

- Individual control of each separate LED; for fast chaser effects, LED zip strip RGB and strobe effects;
- The easy menu structure and accessible internal memories make it

- possible to have a lot of pre-defined settings;
- 20 different colours and, for example, several fade programmes can be selected from the internal memory;
- As no DMX controller is needed in this case, the PiXelbar is therefore also the ideal tool for wall washing applications at exhibitions;
- Numerous rigging possibilities; there is no product on the market with more rigging possibilities than the CLS PiXelbar. Making 'line array' alike configurations, long lines of chasing pixels, floor standing applications. Whatever you imagine; with the rigging and placing possibilities of the PiXelbar it is no problem. Two floor brackets are included in the package and a large amount of optional rigging accessories are available.
